Dear Sirs,

AP Racing CP3345 & CP3555 Brake Calipers

As explained to Mr Hopwood, Chairman of the FIA Historic Technical Working Group, I can confirm that the CP3555 front & CP3345 Rear Brake Calipers are no longer available to suit the Nissan Skyline GTR Turbo, Specification and have been replaced by our CP5270 Front & CP8350 Rear variants.

If we can be of any further assistance on this or any other issue please do not hesitate to contact me.

Yours Faithfully,
